

North Carolina Food Safety and Defense Task Force

Established 2003

NC Food Safety & Defense Task Force Executive Committee

Agenda – Wednesday, February 12, 2020 – 9:30 am NCDCA Constable Building @ NCDCA & CS Reedy Creek Road Raleigh, NC

- Activate phone for any callers – 919-850- 2992
- Certificate of appreciation given to Beth Yongue for her vital participation and commitment to the Task Force
- Hot Topics
 - Outbreaks and Investigations
 - Frozen corn recall per Food Lion. Reinforced the importance of manufacturers being in contact with their FDA coordinators. FDA later decided a recall wasn't necessary after consideration of when the positive was obtained, the type of product, and no distribution of the product.
- Meeting Minutes
 - December minutes edited and accepted.
 - Last Executive Committee (October) minutes
 - Discussion/Revision/Vote
- 2020 Conference Planning
 - Sponsorship
 - Steve sent out letters for sponsorship and one, Farm Bureau, has responded so far.
 - Welcome
 - Joe Reardon
 - Shane Smith
 -
 - Finalized Location
 - Old venue canceled
 - Agreement for new location, DoubleTree, has been signed electronically
 - Food/Meals
 - Online Registration/Save the Date
 - Set up complete. Awaiting word to go live.
 - Calls regarding registration are being received
 - Speakers/Roundtable
 - Day 1 usually 5 speakers + panel
 - Michelle and Rich are confirmed.
 - John Biankey from ?Vivacor?, has been invited.
 - Michelle Danaluck is only available on Tuesday, per Chris Gunter
 - Veronica will check with Audrey Cresky (Burger King)
 - Dr Hanson would be a good speaker. Steve will contact him. Chris recommended
 - Candace will reach out to Nick Fragtdakis regarding entrepreneurship/innovation.

- Panel will include Veronica Bryant, Nicole Lee, Daniel Gaines or Anita McMullen, and someone from the local health department.
- 3 more speaker spots need to be filled
 - Jennifer Tong (virtual audits) – Veronica will reach out to her
 - Testo Instruments – digital food safety management platform (i.e. Bluetooth connected, digital temp logs and check lists) that was piloted in a retail store to quickly identify risks and respond. Chuck will reach out to them.
 - Beth – A&T food science program. Dr Leonard – allergen free peanuts. Steve will reach out to Dr Leonard
- Speaker Gifts
- Payment
 - Historically Anita's P-card has been used. The industry account was used to pay the balance at the end.
 - 3 quotes are being requested since this is >\$5,000
