 - Meeting Minutes
 - Last Executive Committee(Aug) minutes
 - Summary from August:
 - Jeff French from NC DENR is not able to join.
 - Conference Attendee Evaluations: Discussed doing them via Survey Monkey to replace paper evaluations. At next larger group meeting, ask someone to take this on. People are accustomed to taking these types of surveys.
 - For next annual meeting: Traceability, outbreaks, norovirus, blockchain technology – recommend a panel discussion. Also, suggest a speaker on what constitutes a clean break.

 - Executive Committee Business
 - New website – Anita was checking on payment of monthly subscription from the grant \$ (\$12 – 15 per month).
 - Still pending with Anita.
